FACULTY OF ENGINEERING (SCHOOL OF MECHANICAL ENGINEERING)

3 SKMM

INTERNSHIP AT SAPURA ENERGY UNDER DEPARTMENT SAPURA PINEWELL FROM 11 JUNE 2018 TO 30 AUGUST 2018

WEEK 1

DAY	DATE	ACTIVITY
MONDAY	11/6/2018	- General overview briefing about the company and safety briefing. - Making some research on how to develop facebook page for the company. 4 company to be compared which is our competitor in finding contract workers, technip fmc, mcdermott, desb and dialog.
TUESDAY	12/6/2018	Meeting and presentation at corporate communication department to suggest the idea of developing company Facebook and make it active. This way was taken to recruit offshore labor by post job vacancy through Facebook.
WEDNESDAY	13/6/2018	Create an example of posting for our page to hire new offshore crew. We agreed to use "ayat pasar" to attract people out there joining us since we know most of them not have high education. So this the way to get high number of applicant.
THURSDAY	14/6/2018	Submit the first draft of posting to corporate communication for their checking. there is important to make sure the picture is are valid. Valid here means this picture is ours and if there is a person in the picture, confirm each person either he/she still working with our company. Need superimpose Sapura Energy Logo in PPE.

FRIDAY	15/6/2018	HARI RAYA AIDILFITRI
--------	-----------	--

WEEK 2
